

UP 2 U

WORDS & MUSIC BY STEFANIE STEVEN 2018

Vers:

It's just another Sunday night
Moving closer to a Monday morning doesn't feel right
You feel depressed the weekend is over
And you dream about the next and some holidays to free your mind

Bridge:

Make the most out of your day
The sun comes up in the morning and goes down anyway
So come on smile, just for a little while
And make the most out of your day

Chorus:

It's all up to you
Whatever you do
Forget about tomorrow and have some fun tonight
Did you ever dance under the moonlight (Instrumental Key change one up)

Vers:

So come on baby, move a little closer now
Cause you might forget the fact that you got to go to work
I'm going to show you how to relax your mind
And I bet that from now on you gonna love your Sunday nights

Chorus:

It's all up to you
Whatever you do
Forget about tomorrow and have some fun tonight
Did you ever dance under the moonlight

DID YOU EVER DANCE...under the moonlight
