

THE DOOR

WORDS & MUSIC BY STEFANIE STEVEN 2017

All of my life I have been searching
- all of my life
never too sure what I'm looking for
- all of my life
deep down inside I 've got this feeling
- all of my life
hope it's gonna lead me to the door, to the door.

Die Sonne scheint (the sun is shining)
Der Kaffee ist fertig (the coffee is ready)

To the door - lead me to the door

lead me to the door - to the door

keep on searching, keep on searching
keep on searching, keep on searching

for the door, for the the door
