

WELCOME TO PARADISE

WORDS & MUSIC BY STEFANIE STEVEN 2017

G C
Country's gone crazy - people are blind
G C
Forced to buy boxes - when there's no boxes to find
D
just million dollar lean-to's

C
where's the contract to sign
Am D G
gotta noose around my neck - but this box is mine

G C
Yippee yippee yay - up to my eyeballs in debt
G C
Yippee yippee yay - hope there is no regret
D C
everybody says - this country is sooooo nice
Am D G
Yippee yippee yippee ya-ay - welcome to paradise

G C
Now I am sitting in my box, on Marine Parade
G C
Watching 20.000 cars passing by from morning till late
D C
But I don't really care, cause the view is ok
Am D G
Neighbours in his toilet and it's a beautiful day.

G C
Yippee yippee yay - up to my eyeballs in debt
G C
got a million dollar home - and hope it was a good bet
D C
everybody says - this country is sooooo nice
Am D G
Yippee yippee yippee ya-ay - welcome to paradise

G C
When I come from work, I like to swim in the sea
G C
gotta put my wetsuit on to avoid the poo and the pee
D C
but I don't really mind, cause when I close my eyes
Am D G
I can dream about a clean blue sea, just like paradise

G C
Yippee yippee yay - up to my eyeballs in shit
G C
Yippee yippee yay - but swimming keeps me fit
D C
everybody says - this country is sooooo nice
Am D G
Yippee yippee yippee ya-ay - welcome to paradise

G C
The rivers and the lakes are looking sadly green
G C
Minister says it's swimmable but I am not that keen
D
cause all the farmers cows
C
are dumping in the stream
Am D G
and I don't really want to get sick - if you know what I mean

So I sing...

G C
Yippee yippee yay - up to my eyeballs in shit
G C
Yippee yippee yay - but I'm not sick of it (and I'm so sick of it)
D C
cause everybody says - we are so clean and green
Am D G
welcome to paradise - now you know what I mean.
